

SPIRIT

**PATRIOTIC ASSISTANCE
IN THE WORLD'S TOUGHEST
PLACES, OUR MISSION IS
HIS SAFETY AND SUCCESS.**

Spirit of America is the way American citizens can directly support the safety and success of deployed US troops and diplomats.

Spirit of America provides flexible, private assistance in response to local needs identified by deployed American troops and diplomats. We provide humanitarian and economic assistance, as well as equipment needed by US partner forces, in support of US missions and the local people American troops and diplomats seek to help.
